

HOME *of* POI

Thanks for your purchase of our new Multi-function LED Poi Ball!

Product Information:

Mode 1: Slow color fade through all the colors.

Mode 2: Color change through all the colors.

Mode 3: Strobe

Mode 4: Solid Red

Mode 5: Solid Green

Mode 6: Solid Blue

Mode 7: Solid Yellow

Mode 8: Solid Indigo

Mode 9: Solid Purple

Mode 10: Solid Orange

Mode 11: Solid White

Operating Instructions:

To switch on, take out the paper dots between the batteries as per the card instructions included in your set. Then to operate, twist the cap clockwise to activate the current mode, this will automatically start the next mode, to change the mode unscrew the cap anticlockwise a little until the ball turns off, then wait 1 second and twist back, this will activate the next mode and lock it on that mode, continue this to proceed through all the modes.
